Persons who have been appointed to Government Service in relaxation of the prescribed qualifications.

Permission to--- to apply for other posts.

GOVERNMENT OF BOMBAY.
Political and Services Department,
Circular No. 1586/34.
Bombay Castle, 22nd November 1950.

CIRCULAR OF GOVERNMENT.

Recently a case came to the notice of Government in which a person who had been appointed to a certain post by relaxing the prescribed age-limit in his favour on the grounds that candidates within the prescribed age-limit were not available was permitted to apply for some other post within a short time of his appointment and was selected for the latter post on the strenght of the relaxation of age-limit already sanctioned in his favour. Government considers that this was not satisfactory as if a person is appointed to particular post in relaxation of the prescribed qualifications on the grounds that suitable candidates possessing those qualifications are not available, it becomes anomalous to permit him to apply for other posts within a short time after his appointment and to allow him to take advantage of the relaxation sanctioned with reference to some other post for the latter. Under rule 11 of the Bombay Civil Services Classification and Recruitment Rules all applications from persons already in Government sercice for other posts in Government service are required to be submitted through the Heads of Deptts. of offices and as such it is open to the latter to withhold the applications for good and sufficient reasons. In such cases therefore it is necessary that the Heads of Deptts. or offices should withhold the applications if the candidates apply for other posts within a short time say about one or two years of their appointment in relaxation of the prescribed qualifications. It is not intended that the persons concerned should be permanently debarred from applying for other posts but the intention is that they should not be allowed to apply for other posts within a short time say about one or two years of their appointment.
